

**Welcome
to TRICARE University**

Navigation

Please use the arrow keys on your keyboard or the scroll option on your mouse to navigate through the presentations.

You are free to return to modules you want extra time to review. Unlike other course options, this course allows you the freedom to navigate the course at your own pace, in an order that is most comfortable to you.

Reviewing Information

If you need any further information, please visit this link for general information on TRICARE University:
